Greetings from the Director

Fall 2021

Community Services & Parks is excited to bring back the Leisure Guide and offer a variety of in-person fall programs for all ages and interests after a year and a half of facility closures due to the pandemic.

Although we offered a variety of virtual programs throughout the pandemic while our facilities were closed for regular programming, we are excited to have the community return to in-person programming. People of all ages can enjoy dance, sports, visual arts, fitness and wellness classes for all skill levels.

Youth can drop-in at Maple Park's After-School Club, join us for Teen Night Out alternating Fridays at Pacific Community Center and Maple Park Community Center, and look forward to our Thanksgiving and Winter break camps.

Families can enjoy the great outdoors by participating in our popular Trails & Open Space Program or visiting the historical buildings in our parks. Parents, if you need some time alone, we'll take care of the kids on select Friday nights at Pacific and Sparr Heights Community Center as part of our Parent's Night Out program.

Seniors will be the life of the party at the Wild Wild West, Halloween, and Thanksgiving special celebrations at the Adult Recreation Center and Sparr Heights Community Center. They can also enjoy Karaoke on Tuesdays and Fridays, a mixer with dancing on Thursdays at the Adult Recreation Center, and much, much more.

A variety of human services are also available to seniors, youth and families, the homeless, and job seekers year round through the Community Services & Parks Department.

Oh, and don't miss the opening of our Nature Education Center, the Stone Barn, at Deukmejian Wilderness Park this Fall.

Don't miss out on the latest information; get on our e-mail list, sign up to receive our monthly CSP Newsletter, and follow us on Twitter and Facebook. Take a look inside for more information.

Respectfully,

**Parks

- In 1875, the property was sold, left abandoned, and fell into a ruinous state.
- In 1930 the Casa was purchased by the California Medicinal Wine Company who planned to tear down the structure and remove the large eucalyptus trees on the property. Local neighbors and community members stopped the demolition and began a campaign to preserve the house as a historic landmark.
- The City of Glendale purchased the adobe in 1930 and by 1932 La Casa de Adobe de San Rafael was completely refurbished.
- Today, the adobe includes a Monterey-style corridor (covered porch), beautiful sunken garden, brick patio, sandy brown tile roof, and long narrow front windows adorned with teal shutters. Interior furnishings are from the nineteenth century.

- Smoking, barbecues, and amplified sound are NOT permitted because of the historic nature of the facility.

HISTORY

- The Catalina Verdugo Adobe is registered as California Historical Landmark #637 and Glendale Register of Historic Resources #1.
- The Adobe is the oldest structure in the City of Glendale. As with many early structures, the construction date of the Verdugo Adobe is uncertain. It is said the Adobe was built in 1828, but some research suggests that it dates to 1860. It was the home of Catalina Verdugo who, with her brother Julio, owned much of today's Northeast Glendale. Their father, Don Jose Maria Verdugo, was the original recipient of Rancho San Rafael, the Spanish land grant that encompassed large portions of Glendale, Burbank, and Eagle Rock.
- The grounds contain the remnants of the "Oak of Peace," under which a meeting was held in 1847 that led, a few days later, to the signing of the peace treaty, Treaty of Cahuenga, that ended the Mexican-American War.
- The Adobe originally consisted of the main room and the south wing. The north wing was added in the early 1900s, after it was sold to land developer F.P. Newport.
- In 1946, the property was sold to Dr. Ernest Bashor, and his family remained there until it was sold to the City of Glendale in 1989. It is fortunate that the historic value of the original house remained preserved.
- At present, the Museum focuses on the Verdugo family and their lifestyle in the 1800s.

Historic Buildings in Glendale Parks

Le Mesnager Barn at Deukmejian Wilderness Park 3429 Markridge Rd., Glendale, CA 91214

Deukmejian Wilderness Park occupies a rugged 709 acre site in the foothills of the San Gabriel Mountains at the northernmost extremity of the City of Glendale. Trails on the site provide spectacular views of the Crescenta Valley and the Los Angeles basin.

Please join us this fall in celebrating the grand opening of the Stone Bard Nature Center! Visitors will be treated to educational content, a gift shop, and tours of the barn. The Grand Opening date is TBD. Look for it in October 2021!

For information, call (818) 548-3795.

Rockhaven Sanitarium 2713 Honolulu Ave. Glendale, CA 91020

Rockhaven is a rare surviving example of the sanitariums that once flourished in the Crescenta Valley. First opened in 1923 by Agnes Richard as a “home for the feeble-minded women,” and later known as the “Screen Actor’s Sanitarium,” Rockhaven housed several Hollywood celebrities, such as Billie Burke, Flo Zigfield, Clark Gable’s first wife, as well as Marilyn Monroe’s mother. Over time, Agnes Richards purchased several neighboring Craftsman-style houses, and in the late 1920s and 1930s built several Spanish Colonial Revival style buildings which were designed specifically for the purpose of medical care and patient accommodations, expanding the facility to an approximately 3.5 acre site.

The character of this property was as much defined by its landscape as it was by its buildings. The buildings were, and still are, connected by meandering landscaped pathways, intimate gardens, patios, courtyards and expansive perimeter gardens to create a home-like setting for the individual care of the patients. In 1966, Rockhaven was awarded for its landscaping by Los Angeles Beautiful, Incorporated.

The City purchased the property in 2008 from Ararat Home, who had purchased the property in 2001 to operate a convalescent facility. The facility remains closed to the public at this time due to safety concerns.

You can read more about the facility by visiting the City’s website, www.glendaleca.gov, and searching Rockhaven in the search bar.

Introducing the Mosaic Mural at Deukmejian Wilderness Park

The Glendale Parks & Open Space Foundation (GPOSF) has commissioned Zoe Mosaics to create an original stained glass mosaic mural to serve as a portal into Deukmejian Wilderness Park and convey the stunning natural diversity of Glendale's greatest wilderness.

You can now add your name, the name of your family, company, or organization to a one-of-a-kind legacy tile on the mural!

All funds collected will go to GPOSF for trails and open space programs and programming for the future Nature Education Center at the Le Mesnager Barn at Deukmejian Wilderness Park.

To sponsor a mosaic tile or for more information, visit www.glendaleparksfoundation.org, or contact Paul Rabinov at (818) 631-6132; info@glendaleparksfoundation.org.

The Glendale Parks & Open Space Foundation is a non-profit organization, established in 2009, to nurture friendly, safe, clean and well-maintained parks and open spaces that enrich the entire community by inspiring creation, education and an enhanced quality of life. GPOSF has been fundraising for parks, and trails and open space programs since its establishment. To make a tax-deductible donation, visit <http://www.glendaleparksfoundation.org/donate/>.
